1. What is the LIQUI MOLY Media Center?

The Media Center is an international media database for LIQUI MOLY products and activities.

Just as in an online shop, you can put the media in your shopping basket and then download the files - free of charge, of course.

It contains:

- Product pictures
- Print material
- Advertising material
- Pictures of the sponsoring activities
- Videos
- Logos and much more.

2. How can you benefit from the LIQUI MOLY Media-Center?

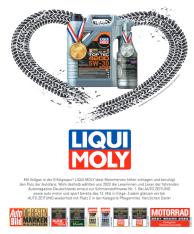

- Download and use of all article and application pictures as well as videos for our own individual advertising campaign.
- Download of all print files to use them or adapt individually
- Get inspired by new ideas for your advertising motives and other efforts
