## Special Tec LR 0W-20

Modern premium class low-friction engine oil, which was specially developed for all-year use in units from Jaguar and Land Rover. The combination of unconventional basic oils (based on synthesis technology) and state-of-the-art additives guarantees an engine oil that provides excellent protection against wear, reduces oil and fuel consumption, keeps the engine clean and ensures its fast lubrication.

**Especially suitable for Jaguar and Land Rover.**

### Properties

- smooth engine running
- outstanding engine cleanliness
- excellent wear resistance
- high lubrication reliability
- long engine service life
- high shear stability
- saves fuel and reduces pollutant emissions
- optimum stability to aging
- excellent high and low temperature behavior
- optimum oil pressure under all operating conditions
- tested for turbochargers and catalytic converters
- mixable with all commercially available motor oils

### Specifications and approvals:

ACEA A1, ACEA B1, Jaguar/  
Land Rover STJLR.51.5122

The operating regulations of the vehicle and engine manufacturers must be followed.

**Note:** Full effectiveness is only guaranteed when used unmixed.

## Drum wrench

For the safe opening of all standard oil drums.

### Properties

- Suitable for 2" and 3/4" screw joints
- Material: aluminum
- Length: 275 mm
- Width: 60 mm
- Width across: 39 mm

Part no.	Product	Content
29057	Drum wrench	1 pc.

## Separating cord 95 daN 135 m

Special cord made of high-strength, plaited polyethylene fibers. For separating windows which are located very low on the body flange, e.g. for newer Audi and Volkswagen models. The tiny diameter of 0.5 mm allows you to pull the cord manually – or you use the LIQUI MOLY Glass Pane Separator (part no. 7944).

### Properties

- Tensile strength: 95 kg (930 N)
- Length: 135 m

Part no.	Product	Content
21110	separating cord 95 daN 135 m	1 pc.

## Replacement rechargeable battery for battery-powered grease gun 18 V

High-performance rechargeable battery.

### Properties

- 18V Li-ion battery / 1.500 mAh
- Charge time approx. 1 h.

Part no.	Product	Content
33023	Replacement rechargeable battery 18 V	1 pc.
